Housing &
Outreach Report

Purpose

From November 18 - 25 2020, the Table de Quartier Sud de l'Ouest-de-l'Île (TQSOI) hosted three online webinars on the topics of housing and health, politics and inequality. The Housing & webinars featured a diversity of local experts engaging on these topics and collectively sharing their experiences and knowledge. Together, they explored the immeasurable impact that health, politics, and inequality have on housing.

Panelists

Marie-France Juneau, **NOVA West Island**
Tamara Vaillancourt, **West Island Association for the Intellectually Handicapped**
Michelle Hotte, **Community Perspective in Mental Health**
Honorable Francis Scarpaleggia, **Member of Parliament for Lac-Saint-Louis**

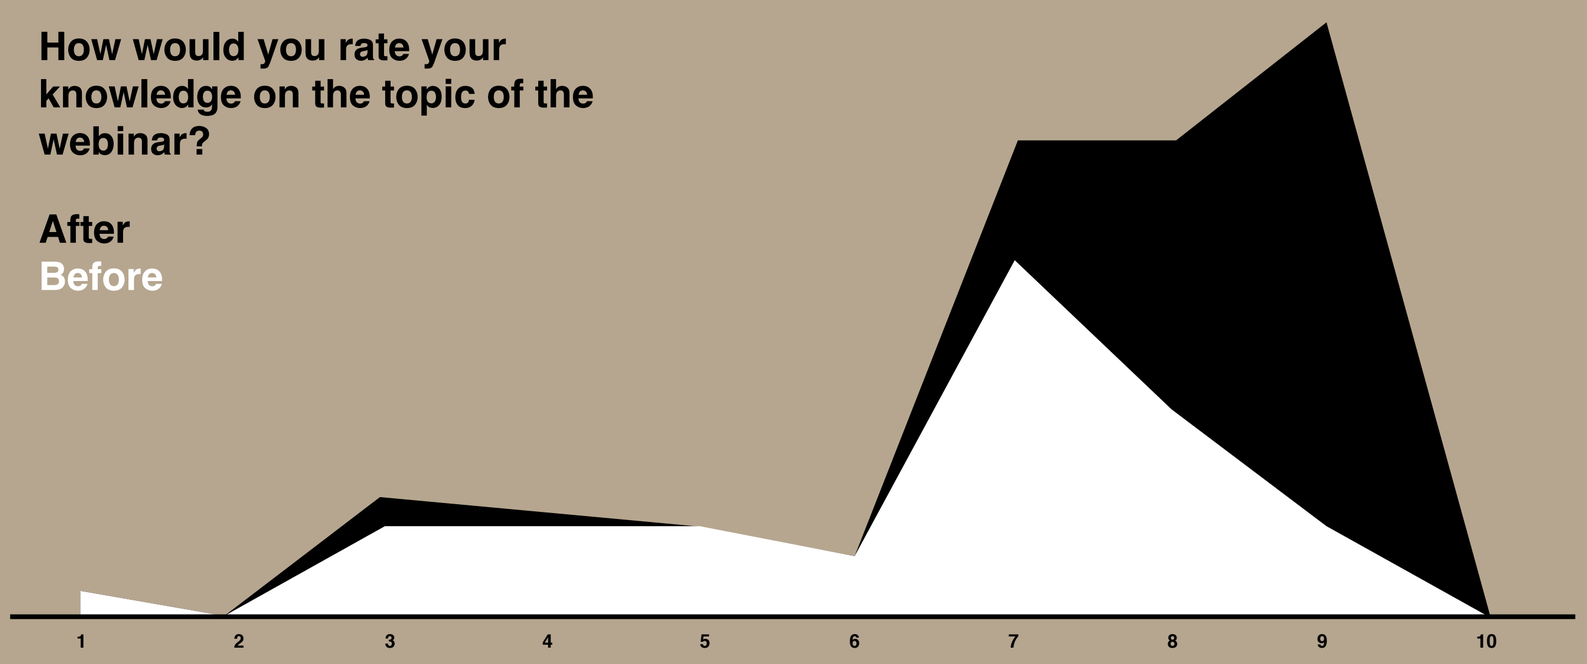
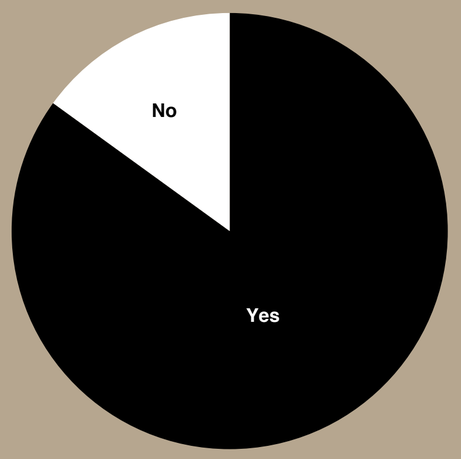
+214 e-mail invitations sent

How would you rate your knowledge on the topic of the webinar?



Did the knowledge shared during the webinars enable you to start thinking about solutions to tackle West Island housing problems?



> "Very well structured, good flow of information, good follow-up questions!"

> "Thank you for the excellent presentations by people who know the reality of those facing serious and ongoing lack of appropriate and dignified housing."

> "Good initiative that could spark further grassroots initiatives around housing in the West Island."
